

N - Nitrogen

SRT - Slow Release Technology

P - Phosphorus

K - Potassium

Mineral Blends			250 Lb. / Acre				200 Lb. / Acre				175 Lb. / Acre				150 Lb. / Acre			
Fertilizer	Nutrition Source	Product Features	N	SRT	P	K	N	SRT	P	K	N	SRT	P	K	N	SRT	P	K
Regal Fertilizer 8-0-24	Urea, DAP, MOP	Urea based fertilizer with Potassium for Fall applications and for instances where soil test potassium is a limiting factor affecting acceptable turfgrass quality.	0.45	0.00	0.00	1.38	0.36	0.00	0.00	1.10	0.31	0.00	0.00	0.95	0.27	0.00	0.00	0.83
Regal Fertilizer 8-2-34	Urea, DAP, MOP	Urea based fertilizer with incremental Phosphorous and high Potassium for Fall applications and instances where soil test potassium is a limiting factor affecting acceptable turfgrass quality.	0.45	0.00	0.13	1.94	0.36	0.00	0.10	1.55	0.31	0.00	0.09	1.33	0.27	0.00	0.08	1.16
Regal Fertilizer 11-22-22	Urea, DAP, MOP	Cost-effective starter fertilizer driven by Urea. Also suitable for situations where soil tests indicate that P and K are limiting factors affecting acceptable turfgrass quality.	0.63	0.00	1.25	1.25	0.50	0.00	1.00	1.00	0.43	0.00	0.86	0.86	0.38	0.00	0.75	0.75
Regal Fertilizer 16-4-8 with Minors	Urea, DAP, MOP	NPK blend with Urea for increased growth and recovery along with incremental P and K for instances where those nutrients may become limiting factors affecting acceptable turfgrass quality.	0.90	0.00	0.23	0.46	0.72	0.00	0.18	0.37	0.62	0.00	0.15	0.32	0.54	0.00	0.14	0.28
