

Regal^{NV}
RINSE

PROFESSIONAL GRADE PIGMENT & TANK CLEANER

Regal NV Rinse is a potent biodegradable pigment cleaner that removes Regal NV paints, pigments, and tough stains from sprayers and equipment. It is also ideal for eliminating grease and oil stains and is safe for most surfaces.

CAUTION

KEEP OUT OF REACH OF CHILDREN

See back panel for additional precautionary statements.

RINSE

PROFESSIONAL GRADE PIGMENT & TANK CLEANER

PRECAUTIONS: In case of contact with eyes, flush with water thoroughly. Avoid contact with flame.

INSTRUCTIONS:

For tank cleaning, mix 2-3 16 oz. Bottles into 100 gallons of water and agitate. Rinse inside of tank well and flush lines with clean water.

For spot cleaning equipment, spray on and allow time to soak. Rinse clean. More stubborn stains may require light scrubbing with a cloth or textured sponge.

Personal Protective Equipment (PPE): Wear chemical resistant gloves, eye protection, and face protection. Avoid contact with eyes and skin. Use product outdoors or in a well-ventilated area.
