

AQUA·AID
SOLUTIONS

Hydra·30 Plus™

Hydrating Surfactant

Restores consistent hydration throughout the root zone across all soil types for improved moisture management.

Delivers firm, healthy playing surfaces with flexible, cost-effective application options.

Fortified with a vitamin package to help turf combat stress and accelerate recovery.

Hydra-30 Plus™

GENERAL INFORMATION

Hydra-30 Plus is a moisture management tool formulated to improve overall root zone moisture by restoring uniform hydration throughout the root zone. By providing superior uniform hydration across a variety of soil types, Hydra-30 Plus will allow plants to better handle the stresses of modern maintenance practices while allowing for more firm turfgrass surfaces. When used as directed, Hydra-30 Plus is safe to turf and can be applied at any time of the year to avoid the detrimental impact of water repellency stress and localized dry spots on turf and to increase the vigorous appearance of turfgrass. Hydra-30 Plus is easy to apply through standard spray application equipment to all turfgrass areas.

CONDITIONS OF SALE WARRANTY AND LIMITATION OF LIABILITY

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

AQUA-AID GUARANTEE

Hydra-30 Plus comes with a 100% money back guarantee. If you are not satisfied with Hydra-30 Plus for any reason after trying the product at recommended rates, AQUA-AID Solutions will refund your money in full.

8.562 lbs/US gal at 68° F (1.026 kg/l at 20° C)

CONTAINS NON-PLANT FOOD INGREDIENT:

Active Ingredient

- 60% Hydroxy polyoxyalkylene polymers
- 40% Inert ingredients

DIRECTIONS FOR USE

Golf, Lawns, and Sports Turf

Apply 3 ounces per 1,000 ft² in 2 gallons of water (10 L/ha in 800 L) at 30 day intervals or as needed.

Irrigate with sufficient water to deliver Hydra-30 Plus to the soil profile - 1/8 inch (3 mm) or more recommended.

Inject 3 to 4 quarts per acre (7 to 10 L/ha) at 30 day intervals or as needed.

DO NOT combine Hydra-30 Plus in the spray tank with pesticides or fertilizers unless prior use has shown the combination physically compatible, effective and non-injurious under local conditions.

Warning

HAZARD STATEMENT(S)

Causes mild skin irritation. Causes eye irritation.

PRECAUTIONARY STATEMENT(S)

Keep out of reach of children. Read label before use. Wash hands, forearms, and other exposed areas thoroughly after handling. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation occurs: Get medical advice/attention.
